SIZE GUIDE

Finding the right size is easy. If you wish to buy a garment which covers the upper body you must check your measurements in the TOP table. If, on the other hand, you are interested in buying a pair of trousers, jeans or Bermuda shorts, you must look at the TROUSERS table. Depending on the garment you intend to buy, there are several measures to be taken in direct contact with the body. Should the measurements taken not correspond exactly to a size in the table, we advise you to choose the slightly larger size in order to have greater freedom of movement.

N.B. =

- The margin of production tolerance, in respect of the size, can be +/- 3%.
- Cotton garments can undergo a natural size variation up to 5% after washing, even when this is correctly carried out according to the instructions on the internal label.
